

September 12, 2005

The Honorable Donald Hill
Mayor
City of Taylor
400 Porter St.
Taylor, TX 76574

Dear Mayor Hill:

Envision Central Texas (ECT), in partnership with the Greater Austin-San Antonio Corridor Council, will host a public SH 130 Corridor Summit for all SH 130 Corridor stakeholders on Saturday, November 19 from 8:30 a.m. to 2 p.m. at the Texas Disposal Systems Exotic Game Ranch and Pavilion in Creedmoor. Your attendance and your jurisdiction's participation in this event are crucial.

With State Highway 130 set to open in 2007, Central Texas has an unprecedented opportunity to shape its future. The type of development that occurs along SH 130 will determine how thousands of people live, work and travel for generations. As you are probably aware, the Greater Austin-San Antonio Corridor Council has been involved with the development of SH 130 since its inception. More recently, Envision Central Texas has been working to address how Central Texas is going to accommodate another million people over the next 20-40 years while at the same time preserving and enhancing our quality of life, natural resources, and economic prosperity. The leadership of these two organizations believes that thoughtful development along SH 130 is critical to addressing these goals.

The purpose of the Summit is to facilitate an open discussion of the critical issues Central Texas leaders and citizens will need to address to ensure the optimum and most desirable development of the Corridor. While considering the entire length of SH 130, the Summit will focus on the Segments 1 through 4 between Georgetown and US 183 (near Mustang Ridge) where the planning challenges are most immediate. The Summit will include a presentation on the "state of the corridor," a roundtable discussion of elected officials and a roundtable discussion of private-sector stakeholders. Each roundtable will address the critical challenges and issues from the participants' perspective. The Summit will also include a keynote address on other successful multi-jurisdictional projects and a "town hall" session with audience members asking questions and sharing their views of the Corridor.

As a Central Texas leader, we wanted you to be among the first to know about this important event and we look forward to your personal involvement in the Summit. If you have names of key SH 130 landowners, developers, or other stakeholders who should receive an invitation when they are mailed in early October, please send them to Diane Miller at dmiller@envisioncentraltexas.org or you may call her at 512-916-6037. You should note, because the facility has limited seating and lunch will be served, **reservations will be required**. Accordingly, we would appreciate if you would complete and return the enclosed reservation form no later than **Friday, November 4**. There is no cost to attend the Summit.

If you have questions or suggestions related to the SH 130 Corridor or the November 19th Summit, please email Executive Director Sally Campbell at scampbell@envisioncentraltexas.org. We hope you will be joining us for a historic and informative event on November 19 in Creedmoor.

Sincerely,

Frederick R. Steiner
Co-Chairman
SH 130 Corridor Task Force
Envision Central Texas

John Langmore
Co-Chairman
