Subject: Board of Health appointment

Hi Frank,

I haven't talked with you for a while. Hope you made it through the slippery roads OK. The reason for this e-mail is that the term of the City of Taylor's representative to the Board of Health, Angela Tietz, is up the end of December and so the City either needs to re-appoint her or appoint another representative to serve a 3 year term 1/1/06-12/31/08. Angela has notified me that she is interested and willing to be appointed to another 3 year term. She may have already contacted you personally to express her interest. She has been an effective Board member and I support her re-appointment. It will be beneficial to the Board and WCCHD to have her experience and leadership as we attempt to recruit more cities to join the Health District this next year and as we grapple with service delivery decisions as funding streams change. The first Board meeting for 2006 is January 5, so if the City would make its appointment before then, I would greatly appreciate it. If you have questions, please contact me. Thank you.

Happy Holidays and thanks for your support.
