Dear City of Taylor:

Thank you very much for the generous contribution of \$10,000 donated to the Williamson County Children's Advocacy Center.

We commend your efforts to promote the well being of children in our community. The children that we see every day will benefit from your donation. We know that you want all children to be safe and secure in their homes and community.

Our job at the Williamson County Children's Advocacy Center is to help children who are victims of severe abuse in a home like setting, where the folks who prosecute and investigate crimes against children can come together in one place so kids do not have to be shuffled around town to various offices like police stations and Child Protective Services.

Thank you for being a caring supporter for children in our community.

Sincerely,

April Kerwin, LCSW
