RE: Relay for Life

Ms. Bulgerin,

Please accept this letter as the authorization to float plastic ducks down Bull Branch Creek from the lake in Bull Branch Park to Lake Drive on the afternoon of April 10, 2005. I understand this is part of the Relay for Life celebration in Taylor.

The only exception to this approval is if it is raining or forecast to rain on that date. You also agree to catch all plastic ducks at Lake Drive and not allow them to enter the lake in Murphy Park.

I hope this information is sufficient. If you have any questions, please contact me at (512) 352-3677.

Sincerely,

A handwritten signature in cursive script that reads "Frank Salvato".
