Brunner Grau responded to me at home; said he kept getting his e-mail response back as "undeliverable". He said "yes" to our request to serve as an alternate.

Dear Mr. Grau:

The City Council is currently making board and commission appointments and has been reviewing your application for a position. While you have indicated a choice for the Transportation Task Force or the Planning and Zoning Board, there are no vacancies at this time. However, we would like to recommend you as an alternate on the Zoning Board of Adjustments. We would appreciate it if you would consider serving in this capacity and look forward to the opportunity of presenting your name for consideration to the City Council on June 12. Please let me or Barbara Belz know if you would be interested in serving on the ZBA as an alternate.

Thank you
Susan Brock
