Dear Mrs. Maxwell;

Thank you for your presentation to the City Council concerning the National Historic District (NHD) designation process. The information presented covered the subject well and provided council members with a clear understanding of the program.

The Council recognizes the long-term importance of maintaining the cultural and historic character of the Taylor downtown area and supports your effort to hire a qualified consultant to prepare the NHD application. We hope the NHD designation will compliment the work of the Main Street Board and ultimately help to revitalize this part of our community.

Sincerely yours,
